## String Along Quilt Show slated this Saturday

On Saturday, May 20, String Along Quilt Guild will host a quilt show in the gymnasium of the Community Center in West Liberty. A number of entries have been received from Morgan County quilters. There will be demonstrations and other activities throughout the day. Everyone is cordially invited to attend this event, which will run from 9 a.m. until 5 p.m. and is free of charge to the public. The above quilt, a Double Wedding Ring, was displayed at a recent String Along Quilt Guild meeting by Mrs. Vanessa Litton, at right, who pieced the quilt a few years ago. Mrs. Maxine Blair, a member of String Along Quilt Guild, is shown at left.

## Quilt registry and show slated Saturday at Community Center

Morgan County Extension Homemakers will host a quilt registry on Saturday, May 20, at the Morgan County Community Center. The hours will be from 9:00 a.m. - 1:00 p.m. The registry will be in the rooms on the gym level nearest the school board office. In addition, quilt show, hosted by the Morgan County Quilt Guild, will be in progress in the community center gymnasium.

The quilt registry is sponsored by KHQS as well and records will be archived in Frankfort as well as locally.

Quilt owners do not have to be quilt makers. Get in those storage trunks and closets and find grandmothers', mothers', or other quilts you have. Bring quilts to the Morgan County Community Center and follow the signs to the quilt registry.

Quilts will be photographed and a brief history will be recorded. Quilt owners will take the quilts home after the information has been recorded. Once again, documentation of Morgan County owned quilts will be housed in Frank-

fort and here in the county. This event is open to anyone interested in having their own or family quilt history preserved.

Contact Nellie Buchanan, Morgan County Extension Agent for Family and Consumer Sciences for additional information on the quilt registry. (606) 743-3292.

The two events are scheduled to honor the heritage of quilting in the county, to promote the craft's legacy, and encourage others to gain these skills.

## Stacy, Whitt, Perry get big Dem vote; Easterling a winner

### 5,171 cast votes here for county, district, judicial nominees

Over 5,100 Morgan County Democrats voted in Tuesday's primary election to elect a Sheriff and a Coroner, and also magistrates in all but one precinct in which the nominee will face a Republican in November.

Tuesday's winner for the Democrat nomination for Jailer also will face Republican opposition in the fall.

Democrats also cast votes for nominees for U.S. Representative in Congress and State Representative. And voters selected two nominees in a non-partisan race for Circuit Judge.

Poll workers reported that voters experienced no problems with the county's new digital voting machines. However minor problems experienced in closing and locking the machines in the Index and Dingus precincts and a long line of voters still waiting in line to vote at 6:00 p.m. in Ward 3, resulted in a delay in getting the county-wide totals tabulated.

State Rep. John Will Stacy was a big winner in his race to retain his 71st District House seat for a seventh term. Stacy polled 72.4 percent of the vote in Morgan to defeat Larry Brown, 3,432 to 1,308. Stacy, who won by 7,741 to 3,163 district-wide, as no Republican opposition in the fall.

Also a big winner with 61.5 percent of the vote in a five-candidate race was Sheriff Mickey Whitt. Whitt polled 3,028 votes — a plurality of 1,985 votes — to win a second four-year term.

In the race for Jailer, Jimmy Darrell Easterling eked out a 13-vote victory over four other candidates for the post. Easterling will face Republican Rick Barker, who was unopposed, in the No-

vember General Election.

Kenny "Gravedigger" Perry was the winner in the race for Coroner. Perry polled, 2,194 votes — 45.6 percent of the votes cast — for a 674-vote plurality in a crowded field of six candidates.

Winners in the five Magistrate races were incumbent Denzil Potter in District 1, Randy Cantrell in District 2, Stanley Riggsby in District 3, Frankie W. Spencer, incumbent, in District 4, and Wm. Burton Stacy in Dist. 5.

A total of 5,171 Morgan cast votes in the election. A precinct-by-precinct tabulation of the votes cast in Morgan is published elsewhere in this edition.

The vote was:

## Contract let to resurface Ky. 7 sector

JACKSON, Ky., May 12—The Kentucky Transportation Cabinet is working to upgrade the highway network in Morgan County in the Department of Highways District 10. One road improvement contract for \$104,305.50 has been approved by the cabinet.

The contract calls for resurfacing of 1.53 miles of Ky. 7, West Liberty-Sandy Hook Road, from Hot Mix Road extending north to the beginning of the recently reconstructed portion at the foot of Wrigley Hill. Hinkle Contracting Corp. of Paris was awarded the low-bid contract. The work is scheduled to be completed by Nov. 30.

"Kentuckians deserve to travel on safe, smooth highways," said Governor Ernie Fletcher. "These projects reflect my administration's commitment to en-

## Brotherly love...Mountain girl grasped her dream, thanks to a gift she never forgot

(Editor's Note: We're indebted to our friend, Scotty Fugate, for submitting the following story by Courier-Journal columnist Byron Crawford. Published in the C-J on Dec. 11, 1994, it's as timely now as it was then, and is dedicated to our graduating seniors, who will be receiving their diplomas Friday, May 26.)

In the spirit of this giving season, I

share with you a little story with my friend, attorney William Elam of Frankfort, told his daughter's sorority at a scholarship dinner at the University of Kentucky several months ago. Although it consumed but a few short minutes at the end of his speech, its message burns as brightly as a yuletide candle and rings as clear as a Christmas bell:

"Once upon a time long ago, perhaps before some of your grandparents were born, there lived a family in impoverished circumstances. Though they were poor, they were no worse off than others in the community. They lived in an isolated mountain hollow in Eastern Kentucky, without any of the amenities of life that we now take for granted — such as roads, electricity, telephones or high schools.

"The only employment opportunity was hard labor in the logging woods or coal mining, both at meager wages. Subsistence farming and gardening kept a modicum of food on the table.

"A woman's lot was very difficult in those pre-liberation days. Her role was often to be barefoot and pregnant, keep the weeds out of the garden, the cow milked and the food cooked.

"Somehow, one of the daughters of that family developed a rather fragile dream shared by none of her siblings. Her dream was to some way obtain an education beyond that which was avail-

able in a local one-room school. There was no public high school in her community, but she heard of a small church boarding school in a nearby town that had just opened and was recruiting stu-

dents. Most of the students were town residents, and few of the small student body were females. But this daughter of the Appalachian Mountains was able to enroll, and found a family in town that

### Waitin' on The Courier

Last Wednesday evening just before dark, while engrossed in putting together the front page of The Wolfe County News, this country scribe was surprised to look up and find the whole front corner of the office filling up with folks waiting to get a copy of The Courier. A jovial group, they waited patiently until the papers arrived from the printer and they were soon on their way with their copies "hot off the press," but not before we snapped this photo. —Editor

## Seatbelt violations to be targeted by W. L. police dept.

The West Liberty Police Department announced last week that beginning May 14, West Liberty police officers, in conjunction with state and other local law enforcement agencies, will participate in the "Buckle Up In Your Truck" and the "Buckle Up Kentucky — It's the Law And It's Enforced" campaigns.

During the period May 14 through June 4, West Liberty Police Department patrols will focus greater attention on traffic violations, especially safety belt usage, according to a police department spokesman.

### SOMETIMES

**Sometimes I sing Alleluia,**  
sometimes I'm filled with pain,  
Sometimes I reach the mountaintop,  
sometimes I try in vain  
Sometimes I feel so close to God,  
sometimes He's so far away.  
Sometimes we walk and talk,  
sometimes I cannot pray.  
Sometimes I feel so confused,  
sometimes I understand.  
Sometimes I really need a friend, I feel Him take my hand.  
Sometimes I'm really lost in doubt, He helps my mind to see.  
Sometimes I want to turn away, He says "Come follow me."  
I feel that Jesus is aware of my struggles to be free, to break away from sometimes and to love Him constantly.  
The Lord accepts me as I am, He looks in my heart and sees, He knows I try, but I am so weak, He knows and still loves me.

## MCMS in process of organizing PTO; meeting set May 22

Morgan County Middle School is in the process of organizing a school PTO. In order to do so we need the support of the parents of students that attend Morgan County Middle School, this includes incoming 6th graders, and the teachers of Morgan County Middle School. The purpose of organizing a PTO at the middle school is to encourage interaction between teachers and parents.

### PTO Objectives

The PTO's mission is to better our children and the education they receive. The PTO Board members would be committed to promoting quality education and enrichment programs for the children that we share. We want to establish a community in which parents and teachers learn more about each other and support each other in better promoting the success of the children. We want to encourage parents, teachers, and the community to become involved in the education of our middle school children. This would provide an opportunity for parents to learn more about the school and encourage teachers to use the skills and talents of parents. We, the PTO, feel strongly in promoting action, progress, and achievement among parents, teachers, and school administrators.

The PTO will plan a variety of different programs and activities to offer the school. Some of the programs offered will be:

- Funding for student field trips
- Classroom equipment
- Assisting with student needs as they arise
- Clothing/food drives
- Decorating
- Community clean-ups
- Fundraising activities
- Volunteer as needed
- Assist in recruiting guest speakers and community members to become involved in the classrooms
- Have parent volunteers in the classrooms
- Provide reward opportunities for the students

The meeting will be held on Monday, May 22, at 6:00 p.m., in the Morgan County Middle School library. All parents and teachers are encouraged to attend. At this meeting we will elect the following officers: president, vice president, secretary, treasurer, and parliamentarian. Remember, this is for the students at Morgan County Middle School. Working together, we can make a difference.

### GOD'S PRESENCE

I hear the voice proclaim from the loftiest of trees, I can hear Him softly whisper in the passing of a breeze. I hear Him gently singing in the rippling of a stream, and feel the warmth of His presence in the dancing of a beam of sun upon the water as it glides across with ease upon a sparkling lake or blue water of the seas. I can sense His power in the thunder and the lightning. Oh, so bright, Hear the ringing of His voice in the twinkling stars at night. Yet we not travel up a mountain, nor to the far seas, we can sense His awesome presence in prayer upon our knees.

### I SAID A PRAYER FOR YOU TODAY

I said a prayer for you today. I said a prayer for you today and know God must have heard. I felt the answer in my heart although He spoke no word. I didn't ask for wealth or fame, I knew you wouldn't mind. I asked Him to send treasures of a far more lasting kind. I asked Him to be near you at the start of each new day to grant you health and blessings and friends to share your way! I asked for happiness for you in all things great and small. But it was for His loving care I prayed the most of all.

Dedicated to Joy Gevedon and Jade Gevedon. Submitted by your mother and grandmother, Alpha Clevenger.

### A CLEAN HEART

Create in me a clean heart, O God, and renew a right spirit within me. Cast me not away from thy presence and take not thy Holy Spirit from me. Restore unto me the joy of thy salvation and uphold me with thy free spirit.

--Amen

# Governor Fletcher indicted on merit system charges

**By John Whitlock**  
KY.Press Assn. News Bureau

For the first time since the merit-hiring controversy began last year, Kentucky Gov. Ernie Fletcher has been charged with a crime.

Thursday, a special grand jury in Franklin County issued indictments against Fletcher, including allegations of criminal conspiracy, official misconduct and political discrimination.

The grand jury also returned indictments against Sam Beverage, a former highway engineer for the state, on perjury charges. Thirteen other indictments were sealed.

An arraignment hearing has been set for June 7. Fletcher is not expected to attend the hearing.

A special grand jury in Franklin County has been hearing testimony for over a year concerning possible political influence in merit-system hiring. Fletcher is accused of using political connections and affiliations in hiring decisions against state law.

The indictment says Fletcher and other state officials used the

Governor's Personnel Initiative to handpick job recipients based on party affiliation and donations.

If he found guilty of the charges, Fletcher could be removed from office and jailed.

In August, Fletcher issued pardons for anyone, with the exception of himself, connected or charged in the investigation.

Fletcher has said he has a "clear conscience" and has no plans to pardon himself.

Fletcher said the allegations themselves are politically motivated by Attorney General Greg Stumbo.

The controversy first came to light in November 2004 when an employee of the State Transportation Cabinet accused members of the Fletcher administration of using politics in hiring decisions.

In the summer of 2005, then-acting Transportation Secretary Bill Nighbert, Deputy Secretary Jim Adams, Commissioner of Administrative Services Dan Druen, Fletcher's chief of staff Dick Murgatroyd, and transportation official Cory Meadows were indicted. All of the men were later pardoned by Fletcher for any potential wrongdoing.

# Food drive Saturday by postal workers and patrons nets 1,000 lb. of foodstuffs

Morgan County postal employees collected approximately 1,000 pounds of food donated by postal patrons during last Saturday's food drive conducted under the auspices of the National Association of Letter Carriers.

"I would like to thank all postal patrons for their donations on May 13," said West Liberty Postmaster Eddie Negrone. "This year alone, the West Liberty, Crockett, Ezel, Elkfork, Ophir, Cannel City, Mize, and Malone Post Office's collected and donated approximately 1,000 pounds of donated foods to the local food pantry."

"The dedication of these postal workers means our local food pantry shelves are well-stocked until winter. The donations ensure that the food pantry is able to handle the nutritional needs of Morgan County residents who are in need."

The Food Pantry (Morgan County Christian Social Services) is located on Court Street in West Liberty and is open every Tuesday and Thursday from 10:00 a.m. - 3:00 p.m. Services can be accessed by referral from any Social Service agency, school, or church in Morgan County.

### A Poem

Look to this day,  
For it is life,  
The very life of life.  
In its brief course lie all  
The realities and verities of  
existence,  
The bliss of growth,  
The splendor of action,  
The glory of power.  
For yesterday is but a dream,  
And tomorrow is only a vision,  
But today, well-lived,  
Makes every yesterday a dream  
of happiness  
And every tomorrow a vision of  
hope.  
Look well, therefore, to this  
day.

# Sleep, Comrades, Sleep

H.W. Longfellow

Sleep, Comrades, Sleep and rest  
On this field of the Grounded Arms,  
Where foes no more molest,  
Nor sentry's shot alarms!

Ye have slept on the ground before,  
And started to your feet  
At the cannons' sudden roar,  
Or the drum's redoubling beat.

But in the Camp of Death  
No sound your slumber breaks;  
Here is no fevered breath  
No wound that bleeds and aches.

ALL is repose and peace;  
Untrampled lies the sod;  
The shouts of battle cease;  
It is the Truce of God!

Rest, Comrades, rest and Sleep!  
The thoughts of men shall be  
As sentinels to keep  
Your rest from danger free.

Your silent tents of green  
We deck with fragrant flowers;  
Yours has the suffering been,  
The memory shall be ours.

# 50 Morgan Co. vets to get high school diplomas

A Morgan County Veterans Graduation Ceremony will be held Sunday, May 28, at the MSU Center at Index at 3:00 p.m.

Fifty Morgan County veterans will receive their high school diplomas. These are World War II, Korean, and Vietnam War veterans who left high school early to serve their country in their nation's time of need.

The public is invited to attend to help honor the veterans and their families.

The special graduation ceremony is being hosted by the Morgan County Disabled American Veterans Chapter, the Morgan County Board of Education, and the Morgan County Judge Executive's Office.

*Peace will come wherever it is sincerely invited. Love will overflow every sanctuary given it. Truth will grow where the fertilizer that nourishes it is also truth.*—Alice Walker, Writer

# Overcoming Barriers to Exercise

Exercise helps you control your diabetes. You can be active even if you have limited mobility due to age, excess weight or amputation. When setting goals, think of the FIT prescription: Frequency, Intensity, and Time of exercise. Beginners should strive to exercise at low-to-moderate intensity three times per week for up to 20 minutes, keeping stress down and enjoyment high. Here's how to customize an exercise program to fit your needs.

## Exercise for Seniors

For older adults, aerobic exercise has been shown to improve strength, reduce the risk of heart disease and osteoporosis, decrease the risk of falls and improve mood and sleep quality. To develop an effective exercise program:

- Include the "four fitness building blocks"—endurance, strength training, flexibility and balance—for best results.
- Gradually build up your activity level, aiming for 30 minutes of moderate exercise, five times per week. What's "moderate"? If you can't talk, you're exercising too hard.
- Make sure the environment is safe. If you're indoors, equipment should be working properly. For outdoor exercise, avoid extreme heat or cold.

## Exercise for People Who Are Overweight

For people who are overweight, regular exercise lowers the risk of heart disease and reduces blood pressure and blood glu-

cose. So try the following tips to enhance your fitness and self-esteem:

- Start slowly to avoid soreness and injury. Even five to 10 minutes a day is a great start.
- Set goals and share them with supportive individuals—you may want to try exercising as a team!
- Try to include more activity in your daily routine. Housework, gardening and walking to do errands are all good ways to improve your health.
- Loose clothing, supportive shoes and garments that prevent chafing can help you feel more comfortable.
- Exercising in water allows you to keep cool, feel supported and strong, and avoid injury.

## Amputation and Exercise

If you've had an amputation, you may experience mental as well as physical blocks to regular exercise. Fear of the

unknown, injury or failure may keep you still. But the good news is that there are abundant exercise resources for people who have had amputations.

- Swimming, treadmill walking or stationary cycling (arm or leg) can be beneficial for amputees.
- Fitness videos designed for amputees allow you to exercise at home. A comprehensive resource list is available at [http://www.amputee-coalition.org/nllic\\_topic/0105\\_fitnessexercise.html](http://www.amputee-coalition.org/nllic_topic/0105_fitnessexercise.html). Or call the Amputee Coalition of America at (888) 267-5669.

To stay safe, check with your doctor before starting an exercise program. Perform a warm-up and cool-down, and drink lots of water. If you feel pain or other symptoms, such as lightheadedness or shortness of breath, stop. If symptoms persist, call your doctor.

Remember, if you have any questions or concerns about diabetes, talk to the pharmacist at a participating Diabetes Shoppe drug store. As a center of diabetes care, your Diabetes Shoppe offers the most comprehensive line of products and information available to help you better manage and "live well" with diabetes.

*A "Perfect" Rose*

Look closely at a so-called perfect rose! Scan the petals. You will find that they are far from perfect. Yet, the uneven shapes, blemishes or misshapen stems will not spoil the delicate color, rich fragrance and sheer beauty of the total flower.

How clearly a rose illustrates that nothing in life is truly perfect! But, rather than discourage us, this should give us fresh confidence and strength.

God did not make the rose perfect – nor did He make us perfect. Yet, He does not think any less of us for our faults and b

## Rogers gets funds to fight marijuana cultivation in DBNF

WASHINGTON, D.C. — U.S. Representative Hal Rogers (Ky.-05) announced that he has included a \$1 million in the federal budget for the U.S. Forestry Service to continue efforts to fight marijuana cultivation in the Daniel Boone National Forest (DBNF).

"With its large acreage and rugged terrain, the Daniel Boone National Forest has long been a difficult place to patrol, making it susceptible to marijuana cultivation," said Rogers. "This funding is vital to enabling the Forest Service to continue rooting out illegal drug activity in the Boone."

This is the ninth year in a row Rogers has included funding for marijuana eradication efforts in the DBNF, which has yielded hundreds of tons of marijuana and led to hundreds of arrests and prosecutions. To date, Rogers has helped direct \$28 million in funding for counter-drug efforts of the U.S. Forest Service and Kentucky National Guard in the DBNF. In 2004, law enforcement officials eradicated 129,627 marijuana plants in the DBNF, which is over half the total number of marijuana plants eradicated across Kentucky that year. The funding is included in the fiscal year 2007 Interior Appropriations bill, which was approved by the House Appropriations Committee on May 11. Rogers works to secure funding for projects throughout the Daniel Boone National Forest in his role as a senior member of the House Appropriations Committee.

## Citizen Corps to prepare region for emergencies

### Awareness meeting set June 13 at Regional Tech Center in W.L.

After Hurricane Katrina, many people wanted to help. However, there were not enough ways to organize this outpouring of support. Now there is a way for volunteers here in Kentucky to make sure their own communities are ready for emergencies. Citizen Corps, a component of USA Freedom Corps, was established after September 11, 2001, to involve citizens in preparing their communities for emergencies, ranging from fires to earth-

quakes or storms.

Gateway Area Development District, along with the Kentucky Office of Homeland Security and other preparedness partners, has formed the Gateway Regional Citizen Corps to provide non-operational volunteerism opportunities with response agencies, as well as informing citizens how to prepare themselves and their families for emergencies.

Said Wesley Delk, Titizen Corps Coordinator, "There is a place for all volunteers in Citizen Corps, regardless of age, gender, or disability. Everyone, regardless of age, gender, or

disability, can do something to protect themselves, their families, and their communities."

"I encourage everyone to prepare an emergency kit with enough food, water, medication, and other supplies to last at least 72 hours. This, along with developing a disaster and communications plan for our homes, is the first step in preparing our communities," Delk said.

A Citizen Corps awareness training will be held at the Morgan County Regional Technology Center in West Liberty on Tuesday, June 13, from 5:00 p.m.

to 9:00 p.m. A meal and refreshments will be provided to attendees that confirm their attendance by Wednesday, May 31.

To register for this training opportunity, or to find out about Citizen Corps and what you can do to protect your family, call Wesley Delk, Regional Citizen Corps Coordinator, at 606-674-6355 or send email to wesley.delk@ky.gov.

"I look forward to seeing you at the training and thank you for doing your part to ensure that 'Kentucky is Ready and Prepared'," said Delk.

## Nickell, McKenzie/May reach region semifinals

**MCHS girls tennis team is still in the running for region title with 4 points**

By Lori Keeton

Alli Nickell, Emily McKenzie, and Lacy May will all compete in the 15th Region Tennis tournament semifinals this afternoon at 4:30 at Archer Park in Prestonsburg.

A semi-final win would give Nickell, the #1 seed, the opportunity to one better her runner up finish in last year's tournament with her first regional singles title.

Nickell did not give up a single game in the first two rounds of play on Monday. In the first round, Nickell defeated McKenzie Montgomery of Magoffin County, 6-0, 6-0, and defeated Courtney Gullett of Prestonsburg, 6-0, 6-0, in the second round.

Nickell will face the winner of the quarterfinal match between

Shilpa Sachdeva of Pikeville and Maggie Heaberlin of Paintsville.

McKenzie/May are on track to defend their regional doubles title of a year ago as they advanced to the semifinals, where they will take on the Magoffin County doubles team of Kristen Howard/Ashley McCarty.

In the first round, the Morgan girls defeated Hunter/Mann of Paintsville, 6-0, 6-1. McKenzie/May were playing extremely well with a comfortable 6-0, 3-0 lead in their second round match against Cline/McCoy of Sheldon Clark when play was suspended because of rain. The brief delay proved to be advantageous for the Sheldon Clark team as they picked up four games in the second set. But McKenzie/May went on to take the final set and match, 6-0, 6-4.

The Morgan girls team is still in the race for the regional team title with four points. Full tournament results for the rest of the boys and girls teams will be in next week's paper.

## Lady Cougars continuing to win, beating Lewis and Lee

Offense puts up 20 runs and 25 hits over the two games

Morgan Co. 10  
Lewis Co. 0

Catcher Haley Eagle banged four hits and scored a pair of runs as the Lady Cougars drilled visiting County, 10-0.

While pitcher Shandra Lewis held the Lady Lions to only one hit through seven innings, Eagle and her teammates tore the cover off the softball with a 14-hit effort. Eagle began the scoring for Morgan with a RBI single to bring home Lewis for an early 1-0 lead. After Shelly Fannin singled home Haley Linkous in the second inning, Leslie Eagle scored Morgan's lone run in the third to extend the lead to three.

The Lady Cougars made their big offensive statement in the fourth inning, scoring six times on five base hits. Linkous, Meghan Howard, Sam Jarvis, Leslie

Eagle, Haley Eagle and Courtney Lacy all crossed the plate as Jenny Nickell's team went up 9-0. Morgan County evoked the mercy rule in the bottom of the sixth as Haley Eagle's base hit brought home Shandra Lewis for the 10-0 Lady Cougar win.

Leslie Eagle, Shandra Lewis and Courtney Lacy complimented Haley Eagle's four-bit game with two base hits apiece. Leslie Eagle, Lewis and Linkous each scored two runs.

Lewis struck out nine batters and walked only three in the complete game victory.

Morgan Co. 10  
Lee Co. 4

Morgan County broke open a 5-1 game with a five-run sixth inning as the host Lady Cougars beat Lee County, 10-4.

Sam Jarvis and Leslie Eagle began the game with hits and later scored as Morgan took the early 2-0 lead. After Lee County tallied a third inning run to trim the deficit to one, Morgan added two more in the fourth as Haley Eagle and Courtney Lacy both reached safely and scored. After a lone run in the fifth, the Lady Cougars put the game away the following inning. Courtney Lacy got it started with a solo home run. That was followed with base hits from Haley Linkous, Meghan Howard, Shelly Fannin and Sam Jarvis — with each player eventually scoring. Leslie Eagle then accounted for Morgan's final run of the frame with a RBI double to put her team up 10-1.

Although Lee County would score three runs in the seventh, Morgan was never seriously threatened. Lady Cougar pitcher Leslie Eagle held her opponent to only five hits over seven innings, striking out eight.

## MCHS P.R.I.D.E. Club in action

By Amy Evans  
MCMS P.R.I.D.E. Club

On Friday, May 5, the Morgan County Middle School P.R.I.D.E. Club volunteered its time to go to the John Will Stacy Industrial Park located in Morehead to help beautify the entrance to the park by weeding the median and landscaping this area with beautiful flowers — a variety of lilies, marigolds, impatiens, and petunias were planted.

This project proved to be a task that was challenging, yet rewarding. There was a large area to be landscaped and there were many flowers to be planted, but between 20 kids, as you can imagine, we completed the task. Thankfully, we were provided with the necessary gardening tools to help get the job done. As you can see in the pictures, the students are very hard at work weeding and planting.

Afterwards, the students went to visit Fultz's Greenhouse, which is also in Morehead. We looked at many different types of plants and animals; some students even purchased plants. In the end, we had a wonderful time but as they say, all fun must come to an end! So, back off to Morgan County we went.

The Morgan County Middle School P.R.I.D.E. Club members would like to thank Mrs. Linda Rose, Mr. David Frazier, and Mrs. Andrea Aragon for all of their help and support. Volunteers: your help is greatly appreciated! To the people of the community: Please help keep Morgan County beautiful!!

## Fiscal Court in routine session, adopts roads

The Morgan County Fiscal Court met last week to attend to a number of routine matters that included adoption of a county budget, approving fund transfers, adoption of former state road sectors into the county road system for maintenance, payment of county bills, etc. The magistrates also approved the 2004 County Road Series Map as the official map of the county and official listing of county roads.

Two of the road sectors adopted for county maintenance were Ky. 7 (Spencer Road — the sector replaced by the highway's sector) and a portion of County Road 1741 on the old sector of U.S. 460 in the Grassy section.

The magistrates also acknowledged the Morgan County Air Board and Extension Service budgets, for taxing purposes, approved the 2006-2007 County Road Aid Cooperative Contract (\$800,000 in grant money), adopted a resolution to accept \$500,000 in state grant money for road repair and renovation projects with blacktopping to begin around mid-June, voted to adopt a Fair Housing Resolution pertaining to a \$500,000 grant program to Gateway Community Services Organization

Also approved by the court was a motion to return additional excess fees for 2005 in the amount of \$6,272 and \$799 in excess fees for the 2003 year to the Morgan County Sheriff's Department, approved a motion

## Your Social Security

### Social Security Earns A+ In Computer Security

By Bernard O'Nan

If you do business with Social Security online – or if you are thinking about doing business with us online – you will want to take note of a recent government report on computer security. The U.S. House of Representatives Government Reform Committee ranked Social Security at the top of the list among federal government agencies, with a grade of A+.

The committee's scores were based on many criteria, among them how well an agency limited access to private information. The letter grades depended on how well agencies met the requirements set out in the Federal Information Security Management Act.

Social Security's high marks reflect the fact that our Agency uses a variety of proactive security measures to protect the information that the American public entrusts to us. Social Security has always recognized the importance of protecting the privacy of the information we maintain about the people we serve, and ensuring the integrity and accuracy of the records we keep and the payments we make. In fact, the Social Security Board's first regulation, published in 1937, dealt with the confidentiality of SSA records.

"For more than 70 years, Social Security has honored its commitment to the American people to maintain the confidentiality of our records," said Jo Anne Barnhart, Commissioner of Social Security.

Anyone who would like to see for themselves the wide variety of safe and secure Social Security services that are available online can visit our website at [www.socialsecurity.gov](http://www.socialsecurity.gov). Popular services include applying for benefits, estimating future benefits, changing your address or phone number and requesting a proof of income letter. To find out more, just click on the headline in the upper left hand corner of the webpage entitled *What you can do Online*.

## Notice concerning WIC Farmers Mkt. Coupons

The Women, Infants and Children's (WIC) Program began issuing Farmer Market Nutrition Coupons for eligible WIC participants on May 15. Federal and State mandated guidelines require that when issuance of Farmers Market coupons to WIC participants begins, the Gateway District Health Department must also issue information on nutrition education. Therefore, beginning this year, the Health Department will be issuing Farmer's Market nutrition program coupons during recipients' regularly scheduled WIC appointment.

"We realize that many of you may have just been issued WIC Food Instruments (vouchers) at the Health Department and may not have an appointment for another three months," explained a health department spokesperson. "But since we are issuing coupons early this year, all participants should receive their coupons by August 15, 2006. The Farmer's Markets are still going strong in August and the last day to use your coupons is October 15, 2006. This should allow all WIC participants a chance to use their coupons."

The WIC program encourages recipients to use their Farmer's Market coupons to help achieve the goal of eating 5-A-day (five

or more servings of fruits and vegetables each day). Recipients will be improving the nutrition value of their family's diet, as well as helping Kentucky farmers. The Farmer's Markets are to help the farmer's diversify their farms and crops. This program is known as KY Proud. Look for the KY Proud sign at your Farmer's Market.

Both the WIC Program and the KY Farmer's Market Nutrition Program are open to suggestions on how to better help WIC participants use their coupons. Currently, WIC participants are only using about 50% of the coupons allocated to this area. The goal is for 100% use this year.

To help achieve this goal the health department will be publishing more articles in the paper about what crops are in season at the market and some recipe and/or advice on how to use the fruits and vegetables. Anyone with questions or concerns should contact the local Health Department, Farmer's Market coordinator, or the WIC Coordinator at Gateway District Health Department, 606-674-6396 ext. 28. The Farmer's Market coordinator can be reached by calling the local Extension program.

## Cannel City School t-shirts are available

As most of you know, the school days at Cannel City are coming to an end. Many of us have very fond memories of this old school and hate to see it go. During the seventy years it has been here, there have been many excellent teachers and students to make their path through it. The present PTO wanted to try to help those of us that attended the school to hold on to a little bit of its memories. The PTO is selling t-shirts and polo shirts with the year the school was built and the year it will close. The shirts have Raiders across the front with a pirate's face. If you would be interested in purchasing one of these, please contact a PTO member, or call the school. The Caney General Store has one on display. T-shirts are \$10 each, and polo shirts are \$15 each.

## Growing At Grace

People visiting Grace Baptist Church for the first time have commented that they were aware of the spirit of God as soon as they came through the door. This has been especially true for the last four services during our revival April 28-30. The purpose of revival is to revive and renew the spirit of the church as a whole and we have truly been revived. We were pleased to have Brother David Smith as our speaker. Through Brother David's sermons we have faced and been forgiven of our failures (John 21:7-12), we were reassured that God is always there, even when we are at our lowest (Kings 17:8-16), we were asked to examine our hearts to determine if God wrote a message on our wall would we be found wanting (Daniel 5:27), and finally we were reminded of that secret place which God always has ready for us, a place of love and reassurance, forgiveness and salvation (Psalms 91:1-10).

We got to see old friends who we had not seen for a while, we met new friends who we hope will want to become part of our family, we reveled in the inspiring music, we laughed, we cried and prayed fervently for the souls of our lost loved ones and we praised our living and wondrous Redeemer and we welcome a new member to our family.

We are revived, refreshed and renewed and looking forward to what God has in mind for us to work for in the future!

Grace Baptist Church is located on Rt. 191 in Malone. We love having visitors and everyone is welcome!

How To Deal With Insults

Once there was a disciple of a Greek philosopher who was commanded by his master for three years to give money to everyone who insulted him. When this period of trial was over, the master said to him: "Now you can go to Athens and learn wisdom."

When the disciple was entering Athens he met a certain wise man who sat at the gate insulting everybody who came and went. He also insulted the disciple, who immediately burst out lughing. "Why do you laugh when I insult you?" said the wise man.

"Because," said the disciple. "For three years I have been paying for this kind of thing and now you give it to me for nothing."

"Enter the city," said the wise man. "It is all yours."

Gripes and whining aren't the answer;  
The odds some face are worse than bad.  
But we must play the hand we're dealt.  
And not the one we wish we had.

DO YOU WANT TO BE SAVED?

Only one time, in the entire Bible, is the question asked. "What must I do to be saved?" (Acts 16:30). In the next verse (Acts 16:31) the question is answered, **"Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house."**

Remember:

Hell's Hot

Life's Short

Death's Sure

Eternity's Long

and, "There Ain't No Exits In Hell."

**NO MAN KNOWS, HOW SOON IT IS TOO LATE**

"Thou shalt not take the Name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh His Name in vain." Exodus 20:7

Any way that you use God's Name, the Lord's Name, Jesus' Name, other than in a Holy manner, is taking His Name in vain.

*"For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."* John 3:16

Acts 2:21 and Romans 10:13 indicate that, "whosoever shall call upon the name of the Lord shall be saved." In the next verse, Romans 10:14 it says, "How then shall they call on him in whom they have not believed?" Believing precedes calling upon The name of the Lord. Jesus Himself said in John 14:6 "I am the way, the truth, and the life: **no man cometh unto the Father, but by me.**" God reaffirms this truth in 1 Timothy 2:5 saying "For there is one God, and one mediator between God and men, the man Christ Jesus." When someone says "repeat this prayer after me to be saved" it is making people feel like they have to "do" something to be saved, other than **believing**. If someone is asked to say a prayer to be saved, the person who says the prayer is still on his way to hell, after repeating the prayer, if he hasn't believed in his heart. Nowhere in the Bible is it found that a person has to pray a prayer to be saved. God does not hear a prayer unless you go to God in the name of Jesus Christ, **The Only Mediator between God and man**. Jesus Christ is not your Mediator unless he is your Lord and Savior. So according to God, the steps are, first, you **believe** in **Jesus Christ as your Lord and Savior**. By **believing** as Acts 16:31 indicates, you are **saved!** Acts 16:30,31 is the only time in the Bible where the question is asked, "what must I **do** to be saved?" God answering through Paul said, **"Believe on the Lord Jesus Christ, and thou shalt be saved."** By being saved, Jesus Christ is your Lord, Savior, and Mediator between God and yourself. Now you can pray to God, because you have the Mediator, Jesus Christ.

I believe that when a person "prays" to God, without being saved, his prayer goes no higher than the ceiling, and God probably says, "Who do you think you are, to think that you can come to Me, without coming to Me in the only possible way that I have set out in My Word? For you come to Me, through My Only Begotten Son, Jesus Christ, the One and Only Mediator between you and Me." You don't just pull Jesus Christ out of the air, and say today I want You to get me to God, be my go-between for God! It doesn't work that way. Jesus Christ is either your Lord and Savior, making Him your Mediator, or, if Jesus Christ is not your Lord and Savior, He is not your Mediator. I believe it is very important to stress that you are saved by **believing only**. John 3:16, probably the most quoted verse in the Bible, says that, "whosoever **believeth** in him should not perish, but have everlasting life." Again, this passage clearly prescribes believing, not repeating a prayer. In John 3:4, Nicodemus asks Jesus, "How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born?" He was asking this in regard to Jesus' statement in John 3:3, that a man needs to be born again. Jesus' answer in John 3:5 and following is "Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." Nowhere does Jesus say, pray to be saved, it is **always believe**.

Years ago, I heard Dr. Donald Grey Barnhouse say "I'm deeply offended when I hear a prayer that does not end with the idea that God must be approached only through the Name and the Being of the Lord Jesus Christ." Ephesians 1:13 says "In whom (Christ) ye also trusted, after that ye heard the word of truth, the gospel of your salvation: in whom also after that ye **believed**, ye were sealed with that Holy Spirit of promise." Romans 10:9 tells us "That if thou shalt confess with thy mouth the Lord Jesus, and shalt **believe** in thine heart that God hath raised him from the dead, thou shalt be saved." For with the heart man **believeth** (first) unto righteousness; and with the mouth confession (next) is made unto salvation." How many people have gone to hell or are going to hell by putting their trust in the ungodly "pray the sinners prayer" or "repeat this prayer after me", instead of **believing** John 3:36: "He that **believeth** on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him."

Luke 23:39-43 tells us "And one of the malefactors which were hanged **railed** on him, saying, If thou be Christ, save thyself and us. " But the other answering rebuked him, saying, Dost not thou fear God, seeing thou art in the same condemnation? "And we indeed justly; for we receive the due reward of our deeds: but this man hath done nothing amiss." And he said unto Jesus, Lord, remember me when thou comest into thy kingdom. "And Jesus said unto him, Verily I say unto thee, Today shalt thou be with me in paradise." In these verses in Luke, we see that a man was saved by believing only. The malefactor did not, and was not instructed by Jesus, to pray, to receive salvation. He said unto Jesus, "Lord, remember me when thou comest into thy kingdom. "And Jesus said unto him, Verily I say unto thee, today shalt thou be with me in paradise." **You don't fool Jesus**. Jesus **knew** that this man **believed** in Him; that this man **believed** that this Jesus that he was talking with was the Lord, The Messiah, the Only Begotten Son of God, the Savior, and in believing, the man was saved. Now if you think that you have to pray first, repeat first, or **anything** first, before believing, why did Jesus tell him "today thou shalt be with Me in paradise?" OR if there is a need to do for anything to go along with **believing**, why didn't Jesus tell him what that was? Jesus doesn't make mistakes! God's Word is true. You don't (really you can't), add to or take away from God's Word, and it be true. Just leave His Word alone, and do what God said, **believe**. Psalm 119:89 "For ever, O LORD, thy word is settled in heaven." Revelations 22:18,19 "For I testify unto every man that heareth the words of the prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: "And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book." Take your Bible and check the references that we contained herein— nothing added to and nothing taken away; and when you hear "the plan of salvation" from anyone, get your Bible out and see if it is God speaking or "someone's" idea. I can't see "ten steps" to salvation, I can see only one step: **believe**. The malefactor on the cross had but one step, and he took it. You, I, we all have "one step," **believe**. Please take it, and believe in the Lord Jesus Christ for your salvation.

ATVs are not toys

The improper use of ATV can kill your youngster

Dear Parent or Guardian:

As the school year draws to a close, the All-Terrain Vehicle Safety Institute would like to impress upon parents and guardians the importance of all-terrain vehicle safety.

ATV safety is important even if your family doesn't own an ATV, as your child may have friends who do. Here is what all parents need to know when it comes to your child and ATVs:

Always wear a helmet and other protective gear. Supervise riders younger than 16; ATVs are not toys. Never carry a passenger on a single-rider vehicle. Never ride on public roads - another vehicle could hit you. Ride an ATV that is right for your age. The guidelines are:

Age 6 and older, under 70cc; age 12 and older, 70cc to 90cc; age 16 and older, over 90cc.

Never ride under the influence of alcohol or other drugs. Ride only on designated trails and at a safe speed. Take an ATV RiderCourse; call Toll-Free (800) 887-2887, or visit [www.atvsafety.org](http://www.atvsafety.org).

As parents, you literally hold the key to your children's safety. Every ATV has an ignition key, and when an adult controls the key, they control the use. Parental supervision is vital to a child's safety; children under the age of 16 must be actively supervised at all times when riding an ATV.

ATVs are not "one-size-fits-all." Nearly 90 percent of all youth ATV-related injury incidents are the result of a child riding an adult-sized ATV, meaning an ATV with an engine size greater than 90 cubic centimeters. No child under the age of 16 should be permitted to ride an adult-sized ATV.

Even though a child is of the recommended age to ride a particular size ATV, not all children have the strength, skill or judgment needed to operate an ATV. You should supervise your child's operation of the ATV at all times and allow continued use only if you determine that your child has the ability and judgment to operate the ATV safely. The Institute publishes a booklet, Parents, Youngsters, and All-Terrain Vehicles, designed to help parents determine if their child is ready to ride an ATV. An electronic version is available on our website

in the library section or call (800) 852-5344 to obtain a free copy.

U.S. Consumer Product Safety Commission data shows that over 90 percent of all ATV-related fatalities are the result of warned-against behaviors. These behaviors include: not wearing a helmet, riding on public roads, carrying a passenger on a single-rider ATV, riding the wrong size ATV, youth riding unsupervised, and riding with no formal ATV training. Please prepare your child to make the safe choice when given the opportunity to ride an ATV.

The ATV Safety Institute's primary goal is to promote the safe and responsible use of ATVs, thereby reducing accidents and injuries that may result from improper ATV operation by the rider. For more information about ATV safety or to find out about training in your area, please visit our website [www.atvsafety.org](http://www.atvsafety.org), or call toll-free (800) 887-2887. Also on our website, you may view and download a short video on ATV safety and the importance of rider training. Click on the "Ride Safe, Ride Smart" icon.

Sincerely,  
Tim Buche, President  
ATV Safety Institute

Junction News

By Kathy Bolin

May 15 — Greetings from the Junction,

Ethel Bolin had a wonderful surprise on Mother's Day, all of her family members gathered at William's Creek Church for Sunday morning services. Ethel had sons, daughters, and their spouses, grandchildren, and great grandchildren all attend. Everyone was present and accounted for. After the church service all gathered at Ethel's home for a cook-out and a day of relaxation.

I suppose several of you have noticed the new trailer at the Oarie Bolin place on Coffee's Creek this week. This is the new home of Mike Cantrell and his soon to be wife Lisha Barker. They are planning a wedding and honeymoon in the hills of Tennessee.

A couple of people were in the hospital last week. Sewell Smith was in Saint Claire at Morehead, and Cortis Jenkins of Lower Sand Lick, husband of Edwina Jenkins, was at Central Baptist. Cortis had a 100% blockage in one of his arteries. While at Central Baptist they had to balloon the artery. Both men are now back at home and hopefully on the mend.

I would like to say "Happy Birthday" to Brad Wheeler, husband of Kristen (Pennington) Wheeler and son-in-law of Rodney and Pam Pennington. Brad celebrated his birthday on May 10, 2006.

Kindergarten Jumpstart will be held Thursday, May 18, at East Valley Elementary. Parents and new students get the chance to get acquainted with their teachers. Time will be 5:00 p.m. - 7:00 p.m.

Josh Cantrell was a proud hunter this season. He bagged two gobblers. Josh is the son of Johnny and Beverly Cantrell of Lick Branch.

Difficult Days

A person has to be a contortionist to get along these days. First of all, he's got to keep his back to the wall, and his ear to the ground. He's expected to put his shoulder to the wheel, his nose to the grindstone, keep a level head and both feet on the ground. And, at the same time have his head in the clouds, so he can look for the silver lining.

Rickayla Ison named All-American Scholar At-Large Award winner

Rickayla Ison

Rickayla Ison, who was recently named as a United States Award winner in English, has also been named as an All American Scholar.

The United States Achievement Academy announced recently that Rickayla Ison, from West Liberty, Ky., has been named an All-American Scholar At-Large Award winner.

Rickayla will appear in the All-American Scholar Official yearbook which is published nationally. She is a student at Morgan County Middle School.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes fewer than 10% of all American high school students.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, United States Achievement Academy winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Founder of the United States Achievement Academy.

The Academy selects All-American Scholar winners based on the Standards of Selection set forth by the Academy. The criteria for selection are a student's grade point average, student achievements, and a well-balanced schedule of academics and extracurricular activities.

Rickayla is the daughter of David and Alicia Wagoner, of Malone, and Ricky Ison, of West Liberty. Grandparents are William and Anna Ruth Harper, of West Liberty, and the late Hershell and Peggy Ison, of West Liberty.

It's Never Too Late

Is it really too late for you? Is it too late for you to start school? Tell the truth? Begin a fitness program? Become a writer? Pick up tennis? Love someone?

Is that what you say, it's too late? Perhaps you're right, but only in part. It may be too late for you to train for Wimbledon, but it's not too late to learn tennis. It may be too late for you to win that person back into your life, but it's not too late to repair hurts. When you rely on lateness as an excuse, you avoid the deep texture of life. Humility, pain, poignancy, struggle, compromise, and challenge are all potentials for deeply gratifying experiences.

One lady was afraid to go back to school at 43. Finally deciding to give it a try, she said, "I'm doing well and it surprises me. It scares me but I love it. I'm surprised that I can be scared and still enjoy myself."

Select one of the five things you've been saying it's too late for you to begin. Do it, and you too may surprise yourself.

Dr. Laura Schlessinger

The Choice Is Yours

A guest on Oprah Winfrey's television show a few years ago said that in the battle between the brownie and the diet, the brownie usually wins.

Well, not exactly. The brownie only wins if we let it win. We have a choice: Eat the brownie or stay on the diet.

The battle is within us. We can win all of our battles if we make the right choices.

Here are seven winning choices:

- Choose action over worry.
- Choose will over won't.
- Choose "I can't do it yet" over "I can't do it."
- Choose a career over a job.
- Choose optimism over pessimism.
- Choose what you want most over what you want now.
- Choose quality over quantity.

MSC Mother-Daughter dinner event of May 9

The Mother-Daughter dinner of the Margaret Stacy Circle was held on Tuesday, May 9, 2006, at the MSU Center.

Those attending were Bev Bell, Emily Bolin, Heather Gullett, Lori Keeton, Kara and Sandra Frederick, Jonell Tobin, Judy Elam, Kara Elam, Sallie May, Pam Rose, Peggy Weddington, Wilma Faulkner, Margaret Wheeler, Jenni Ison, Barbara Ison, Georgia Stamper, Pauline McKenzie, Margaret Reed, Anita Hunley, Anna Jean Allen, Charlotte Allen, Kathy Walter, Lois Smith, Helen Pennington, Gay Cottle, Suzette Oldfield, Melissa Carver, and Brenda Smith.

Kara Elam welcomed everyone to the dinner. We have this dinner every year to celebrate the special relationship between

mothers and daughters and it is always a special night.

Wilma Faulkner had the devotion and she read from her special Bible that she has had for many years. She also read a poem entitled "This Narrow Road".

The room was decorated in spring colors with beautiful spring flowers with party favors of pink and green and lavender. Thanks to Anna Jean Allen and Jenni Ison for the beautiful decorations and for making the room so festive looking. We appreciate your time and talents. Thanks also to Jonell Tobin for making sure the room was available.

After Barbara Ison said blessing, we enjoyed a delicious meal of beef, chicken, vegetables, salad, and strawberry shortcake. Catering was done by Tammy Miller and she did a wonderful

job. We enjoyed the meal and fellowship and shared stories of our mothers.

Our benediction was from Isaiah 66:13 "as a mother comforts her child so will I comfort you; you shall be comforted in Jerusalem."

The Mystery Of The Harvest

Four young men sit by the bedside of their dying father. The old man, with his last breath, tells them there is a huge treasure buried in the family fields. The sons crowd around him crying, "Where, where?" But it's too late. The day after the funeral and for many days to come, the young men go with their picks and shovels and turn the soil, digging deeply into the ground from one end of the field to the other. They find nothing and, bitterly disappointed, abandon the search.

The next season the farm has its best harvest ever.

The appeal must be filed with the county clerk's office or PVA no later than one work day following the conclusion of the inspection period or during the inspection period.

Any taxpayer failing to appeal to the county board of assessment appeals, or failing to appear before the board, either in person or by designated representative, will not be eligible to appeal directly to the Kentucky Board of Tax Appeals.

- (2) He must file a written protest directly with the Department of Revenue, Office of Property Valuation within 30 days from the date of the notice of assessment.
- (3) This protest must be in accordance with KRS 131.110.

Don't Trap Yourself Behind A  
'Houdini Door'

A story about the legendary escape artist Harry Houdini, told by professional speaker Marcia Weider in "Is fear killing your dreams?" demonstrates the danger of mistaken assumptions. According to the tale, Houdini began his career by traveling throughout Europe, visiting small towns and challenging the local jailer to bind him in a straightjacket and lock him in a cell. He had no trouble until he reached a small Irish village. In front of a crowd of townspeople and newspaper reporters, Houdini easily broke free of the straightjacket, but he failed to unlock the cell. After everyone had left, Houdini admitted defeat and asked the jailer to release him. Then the jailer confessed his trick: He'd never locked the cell door. Houdini had succeeded only in locking himself in. "Where's the Houdini door in your life?" writes Weider. "Where is there an obstacle or an apparent reality that looks like it is stopping you, when all you need to do is act on your dream? This flings the door open, showing you and the people around you that you are more committed to your dream than you are to your fear."

**How Charitable Are You?** Generosity is rooted in character — not bank accounts — and is limited only by our perspective. Writer James Agee illustrates this well in *Let Us Now Praise Famous Men*, in which he recounts one of his experiences during the Great Depression.

Agee found an impoverished elderly woman in the hollows of Appalachia. She was living in a tiny shack with dirt floors, no heat, and no plumbing. Agee asked the woman, "What would you do if someone came along and gave you some money to help you out?"

The old lady rocked in her chair and shook her head. "I guess I'd give it to the poor."

**Trivia Tidbit**  
George Peter Alexander Healy was an American portrait painter.

- Household Hints**
- For kitchen safety, always keep a multi purpose fire extinguisher handy in case of a grease fire. Do not spray burning grease with water. You can smother the grease fire with baking soda, but never use flour of water.
  - Mix 1/2 cup borax in a gallon of hot water. This cleans both and tub and walls and also disinfects your room.
  - To keep dust and grime out of the house replace furnace and air conditioning filters regularly. Once in a while wash the vents with soap and water.
  - To unscrew a broken light bulb make sure that the light is turned off. With a hammer knock out the remaining glass into a trash can, then cut the top third off of a baking potato. Stick the cut side into the socket and gently turn. Unscrew the rest of the bulb and replace with a new one.
  - Use a pinch of salt on a cloth soaked in vinegar to scrub pots and pans.

**Quotable Quote**  
Men give me credit for some genius. All the genius I have is this: When I have a subject in mind, I study it profoundly. Day and night it is before me. My mind becomes pervaded with it. . . the effort which I have made is what people are pleased to call the fruit of genius. It is the fruit of labor and thought.

# String Along Quilt Guild mark ninth anniversary

The ninth anniversary of String Along Quilt Guild was observed at the Tuesday, April 25th, meeting.

Members and guests stood together while Linda Perry led the group in prayer and asked the blessing on the meal that was served after the business meeting. Libby Hammonds followed with leading the group in the Pledge to the American Flag before everyone was seated.

Sandra Tyree called the roll and ladies showed a wide variety of beautiful, handmade items for "Show and Tell" including Virginia Reel, Star, Ribbon, Butterfly, Double Wedding Ring, Scrapy, Lone Star, Bow Tie, and floral applique quilts; Chicken Scratch, Churn Dash, Stack and Whack, and other quilt tops, canning jar wall hanging, miniature quilts and coasters.

A sampler quilt was also a part of the beautiful display. Blocks for this quilt were made and donated by String Along members. Guild member Blanche Black, did a wonderful job selecting material and setting the blocks together. Another guild member, Sandra Tyree, machine quilted and put the finishing touches on the quilt. Members are selling tickets on the quilt, \$1 each or six tickets for \$5. Drawing for the quilt will be Saturday, May 20, during the quilt show at the Community Center. If you haven't bought your tickets yet, see any String Along member before Saturday. Proceeds from this quilt will be used to help fund String Along Quilt Guild projects.

Plans for the May 20 quilt show were discussed and finalized. Morgan County quilters will be showing quilts from 9 a.m. to 5 p.m. Saturday at the Community Center gymnasium. The event is free of charge to the public. You're invited to stop by!

Many thanks to Mrs. Leota Sherman for the generous donation of fabric. Thanks to guild member, Sandy Adkns, for collecting and bringing the bags of fabric to the meeting.

After all business was completed, everyone enjoyed a delicious meal made up of a variety of casseroles, chicken and dumpings, vegetables, salads, dips,

bread sticks, desserts including cakes, pies, and puddings, and soft drinks.

Those attending were Sandy Adkins, Blanche Black, Maxine Blair, Jane Collett, Libby Hammonds, Eleanor Holbrook, Anne Keeton, Sue Kinner, Vanessa Litton, Linda Perry, Wilma Reed, Sandra Tyree, Glois Williams, Fay Jenkins, Kay Moore, Roberta Hutchinson, Myrtle Fannin, Oedith Wright, Maudie Nickell, Connie Lewis (welcome, Connie, who joined the guild during this meeting and Janie Collinsworth. We were pleased to have Miss Charity Jenkins and Wanda Holbrook as guests at this meeting.

We will begin our tenth year as a group with the Tuesday, May 23 meeting in West Liberty. Everyone with an interest in quilting is welcome to come.
